**CITY MUST NOT SUFFER FROM  
COAL FAMINE, SAYS WIN-  
CHESTER MAYOR**

Winchester, Ky., October 27 — "If  
we are confronted by cold weather,  
as the forecast indicates, before the  
coal situation in this city is relieved,  
and if there is any amount of suffer-  
ing among our people as a result of  
the coal shortage here, I will seize  
every car of coal that passes through  
Winchester, if necessary, from which  
we will supply ourselves to relieve  
the suffering," was the declaration to-  
day of Mayor D. T. Matlack, when he  
was besieged with inquiries relative  
to the coal situation which has be-  
come acute in this city. Today the  
city awoke without a bushel of coal  
in the different yards.

**TOBACCO GROWERS SEE CROP OF  
1917 AS A WARBRIDE**

Hopkinsville, Ky., October 28 — In  
round figures Kentucky's tobacco  
crop, which is the largest grown by  
any state, this year is estimated at  
something like 450,000,000 pounds, and  
the farmers are expected to receive  
something like \$100,000,000 for it. If  
this is realized, it means prices fully  
three times as high as they were a  
few years ago. Last year prices were  
twice what they ordinarily are, and  
the crop brought \$60,000,000 to \$65,-  
000,000.

Mr. Stanley F. Reed and Mrs.  
George Longnecker will speak in the  
interest of food conservation at  
Springdale this afternoon at 2:30  
o'clock. Mr. Reed and Mrs. Mary  
Wilson will speak at Washington this  
evening at 7:30 o'clock.

Hon. Stanley F. Reed addressed a  
large audience at the Christian  
Church Sunday night on "The Great  
War, Its Cause and Our Duty." His  
address was one of the best heard  
here for some time.

## GORIZIA RETAKEN

By Tentons—Italians Quit Without  
Fighting—Berlin Claims Whole  
Italian Front Is Shaken  
By Blow.

Amsterdam, Oct. 28—The occupa-  
tion of Gorizia this morning by Austro-  
German forces is announced in an of-  
ficial dispatch from Vienna. The It-  
alians are said to have retired across  
the Isonzo.

Gorizia was captured by the It-  
alians on August 9, 1916, at the time of  
the synchronous offensive of the Allies  
on the French, Galician and Italian  
fronts. The Italians took about 20,-  
000 prisoners in the city. The capture  
of Gorizia was one of the most im-  
portant successes of Italy's cam-  
paign against Austria. It is a town  
of 31,000 inhabitants on the Isonzo  
half way between the present Austro-  
German front of attack between Tol-  
mino and the sea. It is strongly sit-  
uated among the hills of great defensive  
value, in which there was heavy  
fighting before the Italians reached  
the city itself. Gorizia is 22 miles  
northeast of Trieste, Austria's big sea-  
port at the head of the Adriatic, the  
capture of which is one of the principal  
Italian aspirations in the war.

The battle on the Isonzo evoked  
shouts of triumph, in the German and  
Austrian press, particularly the lat-  
ter. According to a dispatch from  
Vienna, the Fremdenblatt goes on far  
as to declare that Italy will go the  
same way as Roumania, Serbia and  
Russia, paying "a terrible price for  
the guilt of her unscrupulous, treach-  
erous and rapacious statesmen."

The Neuwienener Tageblatt talks  
of the "sudden destruction of the En-  
telentes last hope on the European  
battlefields."

**Army Surrenders Without Fighting**

Rome, October 28—(British Admi-  
nistrative per Wireless Press)—Units of  
the Italian second army surrendered or  
retreated without fighting permitting  
the Austro-German forces to break  
the Italian left wing on the Julian  
front and invade Italy, says today's  
official report. The Italians now are  
retreating in accordance with the  
plan prepared.

"The failure to resist on the part  
of some units forming our second  
army, which in cowardice retired  
without fighting or surrendering to  
the enemy, allowed the Austro-Ger-  
man forces to break out left wing on  
the Julian front. The valiant efforts  
of other troops did not enable them to  
prevent the enemy from advancing  
into the plan prepared. All stores  
and depots in the evacuated places  
were destroyed.

"The record of many memorable  
battles fought with success by our  
brave soldiers during two and one-  
half years of war is sufficient to as-  
sure the commander-in-chief of the  
army to which the honor and safety  
of the country are entrusted will  
know how to fulfill its duty."

**Capture of 100,000 Is Claimed**

Berlin, Via London, October 28—  
The capture of 100,000 Italians and  
more than 700 guns is reported in the  
official communication from general  
headquarters tonight, which declares  
that the Italian second and third  
armies are in retreat.

In the Mason County Court Sat-  
urday R. M. Lindsay was appointed  
guardian of George L. Alexander with

To The Organized Women of Ken-

Whereas: The United States Food  
Administration has determined that  
it is necessary to inaugurate a con-

to request the members of our sev-

housekeepers of Kentucky, thereby  
assuring elimination of waste in our  
homes and a substantial increase in  
our food supplies either through in-  
telligent substitution or wise conser-  
vation.

It is the patriotic duty of every wo-  
man handling food in her home to  
heed this call and pledge her aid to  
the National Government in this  
emergency.

**COLBURN GETS STIFF FINE**

Robert Colburn, of near Orange-  
burg, was tried in Squire Fred W.  
Bauer's court Saturday afternoon on  
a charge of selling or offering for  
sale flesh of an animal which died  
other than by slaughter. After hear-  
ing all the evidence a jury decided  
that Colburn was guilty and fixed his  
fine at \$50 and costs—\$86 in all. Col-  
burn was tried several weeks ago in  
the same court and the case resulted  
in a hung jury. It is probable that  
the case will be appealed.
